

**The Old Fairhaven Association Presents**  
**The FAIRHAVEN FESTIVAL - the 8th leg of the Ski to Sea Race**  
**Sunday May 27, 2012 10AM to 7PM**

**Invitation to Street Vendors**

The Old Fairhaven Association will hold its annual spring festival on Sunday, May 27, 2012 in conjunction with Bellingham's annual Ski to Sea race. The festival is a non-profit fundraiser dedicated to the historical preservation and improvement of downtown Fairhaven.

**Returning vendors:** The final deadline for space applications is May 18. **However** we have always tried to give our *return* vendors some choice in location. With such a late deadline, this is difficult. If a return vendor asks for **special consideration in booth location**, the application must be postmarked by **May 1** for us to consider the request.

**No booth location guarantees:** We do the best we can but with the changing festival footprint, we have had to reconfigure the festival spaces each year. We have more vendors participating each year and have had to expand onto different streets due to the loss of old spaces. The Fairhaven Association reserves the right to refuse entry to any vendor.

**Jewelry Vendors:** Any vendor who sells jewelry must enclose pictures of the jewelry. No exceptions. Due to the increase in jewelry vendors, we need to see the jewelry sold as to space appropriately and to avoid having too many of the same style. If a jewelry vendor application is received with no pictures, the application will be returned to the vendor. If a vendor does not disclose the sale of jewelry at the time of application, they will not be permitted to sell it during the festival. As always, acceptance and location will be determined by return status and postmark date.

**All vendors are required to provide their own tent** to give the vendor protection from rain or (we hope) hot sun. We require "pop up" style or similar tents in good condition. **Absolutely NO tarps or make shift tents accepted.** You provide your own tables, chairs, dolly's, etc., to set up/tear down and display your goods. Unfortunately, because of our location in town, we **do not** have access to a water source: You are responsible for providing water for your booth. Remember to add the additional fee for any electricity you may need. **This fee is due at the time of your application submission and is extremely limited.**

**We use Email:** All final maps, set up instructions, driving directions and final space assignments **are sent via Email to the e-mail address listed on the application.** If you wish to receive this via the postal service, you **MUST** include a self addressed stamped envelope with your application. No exceptions.

**Jordan Tarrida** is one of the experienced managers of the Festival. He can answer any questions you might have with your street vendor application.
